

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of abuse of the
public airways by
Sinclair. Sinclair
refuses to sell air
time to any group
they disagree with
while they give
large amounts of
free air time to
their favorite
politicians. I am
not surprised to
learn that Sinclair
executives are
major political
donors while pushing
a political agenda
on media ownership
that would clearly
benefit the company
economically. The
only interpretation
of this is that
Sinclair is illegally
bribing elected
officials. This is
an improper use of
the airways and an
abuse of the public
trust required by
their ownership of a
broadcast license.

I hereby request
that Sinclair be
stripped of their
broadcast licenses
for abusing the
public trust. I
also asked to be
notified in advance
of any application
by Sinclair to renew
a broadcast license.
Thank you.
